Evatt Eagle

In a caring environment, we will achieve our full potential.

FROM THE ACTING DEPUTY PRINCIPAL

Welcome back to term 3, another term filled with exciting learning opportunities including, 100 days in Kindergarten, science week and book week, just to name a few.

Students have come back very settled and walking through classrooms engagement and learning is highly visible.

Hats back on

Please remember **1 of August is the official day that hats need to go back on**. Please have a chat with your child about the importance of wearing a hat and ensure that a labelled broad brimmed hat is in your child's bag starting next week.

After School Care

Big thank you to our new After School Care Provider (Woden Community Services), it has been a very smooth transition, with students being settled and happy. We greatly appreciate the proactive communication and collaboration with the school and the parent community.

Upcoming events

Science week – Week 4

Science Week will start early with an event day on Friday of week 3 (09.08.2019). We have been lucky to secure Josie Floyd with her Portable Planetarium Programmes for Kinder to Year 6 again, back by popular demand.

A live reptile experience will be enjoyed by all preschool students.

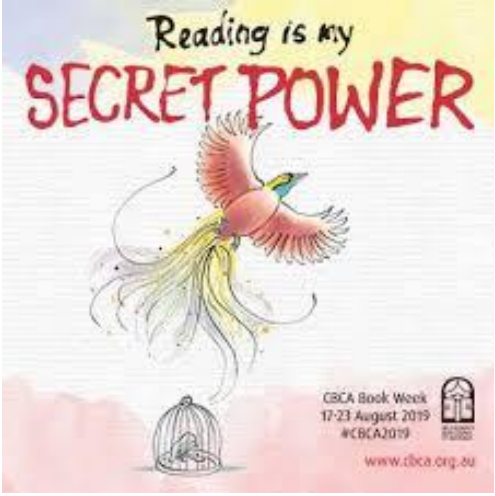
: info@evattps.act.edu.au
: www.evattps.act.edu.au

Friday of week 4 will be a science fun day, with students moving through rotations organised by parents and staff. Parents please nominate yourself if you are working in the area of Science, Technology, Engineering or Maths. We are still looking for more parent volunteers

The STEM club is planning science experiences during break times – watch this space…..



Book week -Week 5

This year's theme for book week is 'Reading is My Secret Power' and Evatt School has planned many exciting events to engage all students in the power of reading.

We are kicking off on Monday 19 August with an incursion for K-year 3 from "Perform Education" presenting their performance called 'Big Dreams'. This performance incorporates 5 of the Children's book council of Australia (CBCA) shortlisted books they are 'Brindabella', 'Tricky's Bad Day', 'Girl on Wire', 'The Must Have Orange 430' and 'Cicada'. It is a fun, audience involved performance, with lots of action, music and a great storyline.

Throughout book week students and teachers will read popular books over the speaker phone during eating times. Students may guess who the fabulous reader might have been.

All students will create a visual representation of a part of their favourite book and will share their creations during the highlight of book week – The book parade, which will be held on Thursday the 22 August starting at 9.15 am in the hall.

Book week continues into week 6, on Monday 26 August from 1:45 - 2:45pm, with an amazing author visit by Jack Heath. Jack Heath is the award-winning author of thirty thrillers, including Just One Bite (for adults) and the Liars series (for children). His novels have been translated into six languages and adapted for film. https://jackheath.com.au/

This visit is organised for year 4 – year 6 students.

Now over to you 😊

Here are some prompts you might like to use to start discussions with your children over dinner.

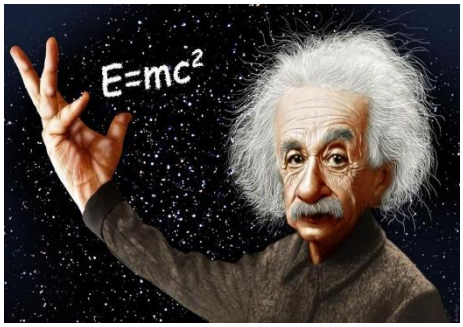
- How can reading be a power?
- How can reading be a secret power?
- What is the difference between a secret power and a super power? Could reading be both?

Happy reading!

As you can see, only looking at the first half of term 3 , students will have many exciting learning experiences. Please join us when you can!

Nicole Zimmer

Science Week



Science/STEM Week will be held in week 4 of term 3 (12 – 16 August) and

We need YOU!

If you are a parent with an interest/expertise in Science or STEM and you would like to offer your time to your child's class on Friday 16 August offering a science/STEM experience for the students, we would love to hear from you.

Please contact Nicole Zimmer (nicole.zimmer@ed.act.edu.au) to discuss further details.

Notes Due:

***PLEASE NOTE**: Paper notes are sent home on Wednesdays. Copies can be accessed at the following links*
