In a caring environment, we will achieve our full potential.

Dear Parents and Carers,

At preschool we have had fun investigating with farm animals, building paddocks and even pretending to be farmers and animals ourselves. Now, we are excited to announce that we are off to visit a real farm!

On our visit to the Farmyard Nursery we will get to see and meet a variety of different farm animals, see some real farm equipment and discover where products such as milk, eggs and wool come from. Our visit will also include a break for morning tea.

All children will need to bring their morning tea in a NAMED PAPER BAG as we cannot take lunch boxes on the bus. For this excursion we will need 4 volunteers, please see Becky or Tiina if you would like to come along.

We look forward to sharing this experience with the children.

Staff accompanying students on excursions will take all reasonable care while supervising students to protect them from injury and to control and supervise their behaviour and activities. Parents should be aware that staff are not responsible for injuries or damage to property which may occur on an excursion where in all circumstances staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property of impulsive, wilful or disobedient behaviour.

This activity is not essential to, but enriches, curriculum outcomes and therefore payment is required for participation.

The school has made every effort to keep costs for this activity at a reasonable level. We have an equity fund which can be used to provide financial assistance for students where parents are unable to make the requested contribution. If however there is insufficient total funding available to meet the cost of the excursion, regrettably we may not be able to proceed.
