

Kindergarten Excursion to Cockington Green
Tuesday 10 October 2017

To parents and carers,

Kindergarten will be travelling to Cockington Green to complement their Geography and Science units this semester. Children will tour the gardens and make comparisons between residences' from various locations around the world. Students in kindergarten will be asked to focus on their verbal responses to questions and to apply previously discussed information when making these comparisons. Students will need morning tea, a water bottle and a hat for the excursion. Students will be provided an icy-pole and a mini train ride around the grounds. We welcome any parent/carer volunteers who wish to join us for the excursion. If you can assist us, please speak to your child's classroom teacher.

Many thanks

Mrs Fleming and Miss Lazarakis
Kindergarten Teachers

Staff accompanying students on excursions will take all reasonable care while supervising students to protect them from injury and to control and supervise their behaviour and activities. Parents should be aware that staff are not responsible for injuries or damage to property which may occur on an excursion where in all circumstances staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property of impulsive, wilful or disobedient behaviour.

This activity is not essential to, but enriches, curriculum outcomes and therefore payment is required for participation. The school has made every effort to keep costs for this activity at a reasonable level. We have an equity fund which can be used to provide financial assistance for students where parents are unable to make the requested contribution. If however there is insufficient total funding available to meet the cost of the excursion, regrettably we may not be able to proceed.
