

YEAR 3/4 CAMP 2018

Warrambui Retreat & Conference Centre, Murrumbateman

Wednesday 14 February – Friday 16 February 2018

Dear parents and carers,

From Wednesday 14 February to Friday 16 February 2018 the year 3/4 students will be going on a camp to Warrambui at Murrumbateman.

The cost of the camp is **\$200** per student. This includes transport to and from the camp, as well as meals, accommodation and all activities. **Payment for the camp is due by Tuesday 12 December 2017. The school will incur significant penalties by the provider if any changes are made to our numbers, therefore students will not be able to attend camp if full payment is not made by this date.** Camps provide a great opportunity for students to develop teamwork, social skills and independence and all students are strongly encouraged to attend.

For the duration of the camp, the students will be under the supervision of Evatt School staff. If you have any information that will assist your child to have a successful camping experience please make sure you meet with your child's teacher prior to camp.

As this activity has an outside provider it is not subject to the voluntary contributions policy, and payment is required for the successful running of the camp. Students not attending the camp will follow an alternative program at school, with student numbers determining the activities provided.

Staff accompanying students on excursions will take all reasonable care while supervising students to protect them from injury and to control and supervise their behaviour and activities. Parents should be aware that staff are not responsible for injuries or damage to property which may occur on an excursion where in all circumstances staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property of impulsive, wilful or disobedient behaviour.

This activity is not essential to, but enriches, curriculum outcomes and therefore payment is required for participation.

The school has made every effort to keep costs for this activity at a reasonable level. We have an equity fund which can be used to provide financial assistance for students where parents are unable to make the requested contribution. If, however, there is insufficient total funding available to meet the cost of the excursion, regrettably we may not be able to proceed.
