Staff accompanying students on excursions will take all reasonable care while supervising students to protect them from injury and to control and supervise their behaviour and activities. Parents should be aware that staff are not responsible for injuries or damage to property which may occur on an excursion where in all circumstances staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property of impulsive, wilful or disobedient behaviour.

This activity is not essential to, but enriches, curriculum outcomes and therefore payment is required for participation.

The school has made every effort to keep costs for this activity at a reasonable level. We have an equity fund which can be used to provide financial assistance for students where parents are unable to make the requested contribution. If however there is insufficient total funding available to meet the cost of the excursion, regrettably we may not be able to proceed.

Please return this form to the school by the final date.
