The Southwest have been learning about the phases of the moon, weather cycles and temperature during Inquiry this Semester. Year 1/2 will be heading to Questacon to view the 'Awesome Earth' and 'The Moon' galleries to expand their knowledge.

Upon arriving, students will have their morning tea before entering Questacon and viewing selected rooms. Students will then have lunch before coming back to school. They will need to have a packed lunch and a labelled drink bottle. Students are to wear full school uniform.

Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities. A risk assessment for this activity has been completed and is available to view upon request.

Parents should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.
