## **From the Executive Teacher**

Dear parents and carers

As I drove across the ACT this morning on my way to Evatt, I noticed the beginnings of blossoms starting to bud from the bare trees. This is my favourite time of the year as I begin to feel the excitement and anticipation that summer and warmer weather is on the way. You are most likely aware that a large number of staff have been absent this week due to illness. When staffing absences occur, we try our best to minimise the interruption to students learning programs, however, there are some days when classes are needed to be split across the school. We appreciate your patience and understanding in this matter.

## **2018 School Satisfaction Surveys**

The 2018 School Satisfaction Surveys are now closed. Thank you to all parents and carers who completed this survey. Your responses are highly valued and your views will inform our future school improvement journey.

## **NAPLAN**

We have been advised by the ACT Education Directorate that Individual Student Reports and Additional Student Reports for all NAPLAN students in the ACT will start arriving in schools from **Monday 10 September**. Again we apologise for the delay but as Mark Nicholson explained earlier, there was a national delay in releasing results due to the inconsistent delivery of the testing materials across all states. For more information about how to understand the results in the student report, see [How to interpret](#).

Additional materials to explain the NAPLAN student report:

- Download the [Student report - information for parents brochure \(PDF 317kb\)](#), which provides detailed information about how to understand your child's individual student report
- [Video – overview of the student report \(1min 41 s\)](#)

Further information (parent FAQ's) can be found at [2018 NAPLAN results - parent FAQ's](#).

## Early Years Essential Literacy Practices Project

Last Friday, Chris Topher, a literacy consultant with the Directorate, visited Evatt to work with the P-2 and ANTS teams in further embedding the project's evidence based literacy practices. Chris provided positive feedback in the literacy practices and work she saw occurring in our preschool, junior and ANTS classrooms. Each team had a session working with Chris utilising her expertise and experience in their future literacy goals and planning. Additional professional learning with the Directorate project team in this area will also occur next term.

## Limelight

Last week saw another successful appearance by the Evatt School Choir at the annual Limelight performance. A huge thank you to Mrs Todd, and to Miss Hammond, who quickly went from choir understudy to director due to Mrs Todd's unexpected leave. Thank you to Kylie McEvoy who supported our choir and staff.

## Engineering Games

Watch this space for a report and pics from last Wednesday night's Engineering Games. Mrs Zimmer is uploading lots and lots of brilliant photos, so many in fact, that she wasn't quite able to make the Eagle's publication deadline!

Have a great weekend!

***We thought you might be interested in noting the student attendance figures for this term so far. Well done to years 1 and 2 considering the season and amount of illness in the community.***

### This Term's attendance figures per year level

90%	93%	93%	91%	92%	92%	91%

## Head Lice

There have been incidents of head lice reported in a number of classrooms.

It would be appreciated if you could check your child's hair and perform treatment as necessary. It is extremely important to perform both an initial, and follow up treatment, to prevent further head lice cases within the school.

If you need more information regarding the identification and treatment of head lice, please see the office staff, and they will be happy to provide you with the information you need.

If you have any concerns regarding your student, please contact the school. Additional information can also be found at:

<https://www.health.act.gov.au/sites/default/files/Fact%20sheets/Head%20Lice%20fact%20sheet%20%28June%202014%29.pdf>

Your cooperation is much appreciated.

## Parking around the school

Following a dangerous incident at the front of the school this week, it's important that parents and carers remember to park legally, and safely, when collecting their children. Parking illegally places our students and parents in a dangerous situation. Vehicles travelling along Heydon Crescent have very limited visibility of the school crossing when other vehicles are parked illegally near the crossing. Nationally, there have been a number of fatalities recorded due to the lack of visibility around children's crossings.

Collecting/dropping off children in the staff car park is not permitted for safety reasons, unless you have a Disabled Sticker. If you need access to a disabled space, please bring your disabled pass into the school for our records. Some parents have permission to park in the carpark and will display a pass. We will be recording number plates of cars parked illegally and will pass this information to Access Canberra. If you wish to use the Kiss and Drop/Collect area directly at the front of the school, we ask that you do not park and leave your vehicle to enable a smooth flow of traffic.

There are a number of exits and paths to help reduce the flow of traffic on Heydon Crescent (please refer to the below map). Exiting via the Junior gate (between Kindergarten and year 1/2) or from Preschool, you can access McClure Street and Kellaway Street via the walking paths. Exiting via the rear gate you can access Jacobs Street, through the parkland. Students in years 3/4 and 5/6 may exit the school via the gate and path near the multipurpose court, that leads to Kevin Street. All these paths are safe options, that don't involve crossing a busy road. Alternatively, it is possible to park in Kissane Crescent or Kingston Street, accessing the school via the school crossing.

For many years we have endeavoured to find safe solutions to our parking issues. We ask that all parents, carers and visitors to the school, work with us to maintain a safe environment around the school during the key busy times at the start and end of the day.

## Sports News

### **School Sport ACT - ACT Track and Field Carnival**

Congratulations to Josh and Richard for being selected to represent the Belconnen Region at the ACT School Sport Track and Field Carnival on Tuesday 18 September at Woden Park. Josh will be competing in the 800m and the 200m and Richard will be competing in the 100m. Good luck to both of you.

### **Belconnen Schools Athletics Team Challenge**

Evatt School has entered two teams into the Belconnen Schools Athletics Team Challenge which will be held on Saturday 15 September at Charnwood Oval from 9.00am to 12.00pm. The day will include entertainment (jumping castle and face painting), sports activities and food and community information stalls. There will be some fun activities for children from 2 years of age, so feel free to bring your family and friends along to support our team.

### **Jump Rope for Heart**

All children will be involved in the Jump Off for Jump Rope for Heart on Thursday 20 September. Thank you to all the children who have registered and have been gaining sponsorship. So far our school has raised more than \$4500. This is a mammoth effort. If you would still like to register please do so at [www.heartfoundation.org.au/jump-rope-for-heart](http://www.heartfoundation.org.au/jump-rope-for-heart).

### **School Sport - Sport Trials**

There are no upcoming trials currently advertised on the School Sport website ([www.schoolsportact.asn.au](http://www.schoolsportact.asn.au)).

**Jenelle Martin**, Physical Education Teacher, Evatt School

You can collect your book of tickets from the front office.

## Step into the Limelight Gala Showcase

Last Thursday night Evatt School Choir performed at the *Step into the Limelight Gala Showcase* held at the AIS Arena, audiences were entertained with an eclectic mix of performances from the ACT Senior Concert Band, string, percussion, rock, jazz and choral music groups, dance, drama and musical theatre performances and works from student film-makers. The Massed Primary Choir was the highlight of the show with 30 Evatt students shining like stars by singing with many other students from across the ACT.

The Evatt School Choir represented our school with an excellent performance and their resilience and behaviour was commended by organisers. The students were then able to back up their night time performance by attending school the next day and performing again at our school assembly.

On behalf of Barbara Todd and myself, thank you to all the students and their families for making this event a fantastic experience for all involved.

**Susan Hammond**

## Student Injury

### Insurance and Ambulance Transport

The Education and Training Directorate does not provide any insurance cover for injury, disease or illness to students resulting from school activities or school-organised excursions. Claims for compensation are met where there is a legal liability to do so. Liability is not automatic and depends on the circumstances in which any injury, disease or illness was sustained.

As there is no automatic insurance cover for personal injury if your child is injured at school or during a school organised activity/excursion you should therefore consider whether taking out personal insurance cover for your child is warranted.

This insurance might cover contingencies including medical/hospital expenses, ambulance transport outside the ACT, and cancellation of transport/accommodation or loss of/damage to luggage.

The ACT Ambulance Service provides free ambulance transport for students who are injured or suddenly become ill at school or during an approved school organised activity **within the ACT**.

## Flying Highs

Congratulations to the following students, who received Flying Highs at the last assembly:

Corey - The Archimedes

## Glow Ride

Glow Ride is a family-friendly bike ride with a festive and adventurous flavour - we'll be starting at twilight and riding into the darkness and under the stars, lighting up the night with glow-in-the-dark bikes!

**When:** Saturday 6 October from 4.30 pm. Ride from 6.30 pm

**Where:** Yerrabi Pond Park, corner Nellie Hamilton Ave and Phyllis Ashton Circuit, Gungahlin.

The event will be held on the last night before the start of daylight savings as a way to farewell the long Canberra Winter and welcome the Spring cycling season.

This 5 km ride is on shared paths and is aimed at encouraging young families in the Gungahlin area to get onto their bikes. The ride is suitable for all ages. It will start and finish at Yerrabi Pond Park in Gungahlin, with an easy loop ride around the lake, followed by a family-friendly glow party at our event hub.

We invite you to join the ride in your best glow-in-the-dark gear and dress up your bike with glowing colours and festive lights. There'll be spot prizes for the brightest bikes, glow face painting and family food and entertainment.

Glow Ride is proudly brought to the community by Pedal Power ACT with support from Snedden Hall and Gallop, your Gungahlin Lawyers. You can read more about Glow Ride on our [website](#), and our [facebook event](#).

Like all our community bike events, the success of our very first Glow Ride will rely heavily on the involvement of our volunteers. We are looking for [Event Volunteers](#) to help as course marshals, aid station volunteers, sweep riders, and registration desk assistants, and to assist with signage, transport and infrastructure.

## School Banking

Evatt's School Banking Coordinator is seeking a volunteer to take over processing of the school banking. Processing of the banking happens in the school office and can happen on a day that is convenient to you. Processing is completed on a school computer, and you deposit the funds into any branch of the Commonwealth Bank. Full training will be provided; all you need is basic administration skills. If you would like any further information please contact Louise Harry on 0415 332 041 or [louise.harry@me.com](mailto:louise.harry@me.com)

# Constable Kenny Koala's top tips to Stay OK in the community

- Stay close to your parents or a trusted adult
- Know your address and your parents' mobile numbers
- Don't speak to adults you don't know
- If you get lost, find someone you can trust wearing a uniform, like a police officer or a shopkeeper
- It is always OK to say no if you feel uncomfortable
- If a stranger makes you feel unsafe, tell a trusted adult straight away
- Call Triple Zero (000) in an emergency.

Belconnen Community Service recognises the need for parents to be equipped with resources to support their child's transition from Primary school to High school. Through an informal information session *Tackling Transitions Together* will provide parents with the resources and tools to confidently support their child and discuss a range of challenging topics.

ThinkUKnow, Relationships Australia and Headspace will provide mini presentations on key concerns of online safety and cyberbullying, confidently responding to adolescent children, and understanding social and emotional wellbeing, stress, anxiety and mental health. Parents will have the opportunity to speak with the representatives following the presentations.

Parents will also be encouraged to access information on the following areas:

- resilience and mentoring programs
- body, nutrition and physical health
- discussing sex, drugs and alcohol

The event will be held at Belconnen Community Service Theatre, Swanson Street, Belconnen on Wednesday 19<sup>th</sup> September from 5:30 – 7:00.

Registration for the event can be made via <https://www.trybooking.com/XHJV>
