Evatt School

In a caring environment, we will achieve our full potential.

Wednesday October 31 2018

Dear Evatt families,
Year 6 are fundraising to help raise money for their end of year graduation dinner and disco.
One of the things that Evatt Primary School is very interested in is sustainability, in particular, cutting down the amount of waste that ends up as land fill.

So to help year 6 raise money for their grad and to cut down waste we are doing a metal straw fundraiser.
These stainless steel drinking straws are reusable as well as convenient. They help eliminate single-use plastic straws from our landfills, and help keep beaches, parks and waterways cleaner for us all. As they don't contain BPA, they're much healthier for you and your family.

Each straw pack contains four metal straws for $20.50.
You can also purchase the cleaning brush for an additional $7.00.
Cash payment is due at the time of ordering. For alternative payment options and other products, please see the website details below.

Student Name: _____ **Class:** _____

Name	**# of straw packs**	**# of brushes**	**Total**
E.g. Martha Smith	2	1	$48.00
		Total	

Orders are due in by Friday 30 November 2018.
