

## Evatt School Learn to Swim Program Kindergarten, Year 1/2 and Additional Needs Students

15 June 2017

To parents and carers,

We are currently in the process of organising learn to swim lessons for the students in kindergarten, year 1/2 and our additional needs classes. The purpose of this letter is to seek interest as to the number of students who will be attending this program. This is necessary so we can price this activity accurately, ensuring the cheapest cost for you. To secure your place in the learn to swim program we ask for a non-refundable deposit of \$20.00. This deposit will come off the final cost of the program.

The AIS encourages spectators to come and see their child/ren participate in the program, however they ask that parents don't attend in the first two lessons while they are introducing the children to the program and the pool. The program caters for all swimming abilities from beginner up to squad.
