## **Student Learning Resources and Voluntary Contributions**

Dear parents and carers,

### ***Student Learning Resources (previously known as bookbags)***

During the school holidays we have sourced all of the stationary, supplies and resources required to support your child's learning for 2021. With a goal of keeping costs to a minimum + saving parents and carers time sourcing themselves, we have purchased the supplies in bulk and will provide to the students as required throughout the year. We have ensured the purchase of high quality resources. Some of these supplies include: workbooks, pencils, pens, textas, glue sticks, scissors, rubbers, sharpeners, rulers, tissues, handwriting books (selected year levels) + a large amount of specific resources required for Art, Science, Technology, Mathematics, Sustainability and Literacy.

We encourage all parents/carers to pay for the learning resource requirements for their child(ren). An amount of \$70 per student will cover these costs for the year.

### ***Voluntary Contributions***

All ACT Government Schools ask families for the payment of voluntary contributions. These funds are extremely valuable for ensuring that the school can provide an enhanced learning experience for all students. This year, we are going to prioritise our voluntary contributions to a new PA system for our school hall. We believe the hall is a space that brings our school community together for a range of assemblies and events and we are working to make the setup of this space the very best it can be.

Following consultation with the School Board, for 2021 we are not going to put an expected dollar amount on the voluntary contributions. If families would like to pay \$50, an amount of their choice or even \$1000 this is great. Families may wish to pay an amount each term for the year. A parent of the Evatt community mentioned "I paid \$120 a day for childcare for 4 years, contributing a few hundred dollars to our great school seems very reasonable and worthwhile."

Previously the contribution was \$120 for one child, \$220 for two children or \$290 for three or more children.

If you nominate your voluntary contribution to the library fund this amount is tax deductible.

Please feel free to discuss any of the information outlined above.

Kind Regards,

Michael Hatswell  
Principal  
Evatt Primary School
